Owing to the proximity to RAF Shawbury and RAF Ternhill the following arrival and departure procedures have been agreed with Shawbury SATCO:

Arrivals:

Contact Shawbury Zone 133-150 when 20 nm from Tilstock. Shawbury will provide LARS or FIS and radar vectoring if required.

continued

Remarks: (continued):**Departures:**

- Notify Shawbury ATC by telephone at least 10 mins prior to take-off (01939 250351 Ext 7232). Announce "Tilstock departure" and give flight details.
- When airborne remain VMC and contact Shawbury Radar 133•150, climbing not above 1000ft (Tilstock QFE) until in contact with Radar or well clear of the extended centreline of Shawbury Rwy 19.
- After initial contact, or if no contact, turn either right from Rwy 32, or left from Rwy 14 onto heading 050°M. Remain VMC if possible, and continue climb. Thereafter, turn onto desired track as agreed with Shawbury Radar or abeam Audlem.
- Evenings, weekends & PHs when Shawbury is engaged in limited flying and LARS is not available, departing aircraft should free call Shawbury TWR on 122•100 when airborne, for flight information on Shawbury and Ternhill activity.
